

Hi Judy,

We are so excited to share our very first *¿Qué Pasa LIBRE?!* newsletter. Our goal is to keep you updated on everything that LIBRE is working on to advocate for freedom-minded policies that help Latinos prosper. Latinos are [not happy](#) with the general direction of our country and believe that the American Dream is getting more out of reach for future generations. We hope you enjoy our newsletter. We would love to hear what you think! Share your thoughts [here](#). You can also stay informed by visiting our brand-new [website](#).
